

# DECEMBER NEWSLETTER

Dear All,

It's that time of the year again when we reflect on all our successes, challenges, and fun times together!

During the past year, the Amberley team have worked as a family, supported each other personally and professionally and smiled and laughed all the way through.

We celebrated our beloved residents' birthdays and anniversaries with their families all year long.

The team worked diligently and sincerely and were rewarded with "GOOD" by CQC! We are very proud of everyone at Amberley!

Pets of residents and staff were welcomed much to the joy of our residents!

Our residents enjoy going to the seaside for fish and chips, visiting the shops or just a stroll in the park.

The summer was busy with activities for the residents and our lovely staff. We took part in the Goodwood 5k inflatables run to raise money for our residents. We jogged, laughed and rolled our way through the 5K knowing our residents will be able to have some extra treats and activities.

Activities have always been a priority at Amberley. From reading poetry, colouring, playing cards to making pizza – there is always something to do in Amberley. Our lovely team comes up with innovative ideas to keep residents engaged throughout the day.

The most important celebration of the year was the Queen's Jubilee and Amberley threw an elaborate party with entertainers, cakes, party food, music and dancing!

It's that time of the year again! Christmas is just around the corner, and we are taking our residents shopping to the town centre.

*MERRY CHRISTMAS & HAPPY NEW YEAR!*
